

ELMWOOD PARK FOOTBALL BOMBERS

Sponsorship Information Packet

Dear Sponsor:

The Elmwood Park Bombers are excited about this upcoming season along with our new and improved website:

epbombers.com

Working directly with Sports Illustrated Play we are now able to provide a strong and notable online presence which includes: online registration, online sponsorship, a year-round online store, directions, schedules, standings, an alert system, news, social media integration, and provide detailed participant and financial reports.

Established in 1959, our organization strives to build and maintain a highly visible program, which fosters the overall development of the athletes who participate in our football and cheerleading program, while serving as a source of pride for the entire Elmwood Park Community.

Your Bombers organization is not only excited about this year's expectations, but also excited about the continuing upward direction of our program which includes a new home turf football field and a powerful website hosted by Sports Illustrated. The trustees, coaches, parents and volunteers invest many hours of time helping these children build important qualities through athletics that will stay with them as they grow into young men and women.

Your support makes you a partner in shaping these children's lives; to assist them in not only making better football players and cheerleaders by allowing us to provide better services and equipment, but also to assist us in making them better students and future leaders. As the result, your partnership plays a significant role in their success! Would you please consider making this investment in the lives of these young men and women?
